It was worn, leaking and really dirty. The water pressure was constantly changing, which caused a constant dripping noise in the bathroom. The mattress was really uncomfortable and didn't feel like the good quality of the hotel. The room smelled, had small windows and no view. Very old and worn out. I was looking forward to heading back home, but found it a dreadful hotel stay. Traveller from Michigan 10 out of 10 I've never been disappointed with my stay at this hotel Oct 1, 2015 Great location --
