Read moreQ: How would I extract the vignette from this image? I'm a Photoshop noob, so I'm not really familiar with the language that it uses to do this and I don't know if there's a tutorial out there for vignetting (the light you see in the background), but would it be possible to extract the vignette from this image? A: Sure you can, I made a tutorial on how to achieve that in the following link. Hope this helps. The invention relates to an apparatus and a method for the production of textile webs from a plurality of consecutive synthetic yarns by weaving or braiding the plurality of yarns in the production of a textile web. Prior-art apparatuses of this type are known from, for example, DE 27 25 604 C2 or EP 0 527 747 A1. The apparatus according to DE 27 25 604 C2 has three horizontal weaving shafts, through which a plurality of synthetic yarns are drawn and are combined in a thread chain or in an insert of threads for the weaving of a textile web, the individual threads of the inserted threads
